Title: College Matching Grant

Students attending one of our Mennonite Colleges/Universities (EMU, Goshen, Hesston, Bluffton, Bethel) must be a current active member and have attended HMC for at least two years.* Only full time students in both undergraduate and graduate school will be eligible for the amount designated each year. If students are eligible through their home congregation, then they are ineligible through HMC.

HMC will work to accommodate special circumstances as they arise.

*If student has been an active HMC as a youth and parents have been members for at least two years, membership requirement for youth may be waived, recognizing that some youth are not baptized until after high school.

Expectations of parents or participating adults are:

1. Regular attendance at HMC
2. Support of our giving plan
