CARPE DEUM / NEW CLASS

Two classes have combined to welcome everyone. This is an intergenerational group for those who do not currently have a Discipleship Community to call home. If you are new to our church or find yourself without a discipleship community to call your own, we would like to invite you to come and share sacred space with us. Our desire is to "take hold" of God, stepping up as the church of today. We meet regularly both during the Discipleship meeting time between services and other times as planned to fellowship together.

GRACE FELLOWSHIP is a diverse group of people, many who are parents of young adult children, who seek to support and care for one another in all seasons and circumstances. We are earnest in our desire to live faithful Christian lives, only with God's grace and help, often expressed and experienced through His church. We are church to one another and, as part of that, we heartily welcome anyone who wants to join us. Our regular activities include Sunday school (biblical teaching and sharing/prayer), class meals and picnics, retreats, camping, service projects, and small groups.

JUBILEE class members range from 40s-60s. Our energetic yet laid-back group enjoys monthly socials and service activities. As a class we take turns leading discussions or invite other church members to lead our class for Bible, book, quarterly or video studies. We thoroughly enjoy supporting and challenging each other. Come join us!

KOINONIA class members range in age from 50s-70s. We are a diverse group of men and women who are serious about how we relate as Christians to the world as well as deepening our personal relationship with Jesus Christ. New members are always welcome.

LAO CHRISTAJAK is taught in Lao and concentrates on the basics of the Bible and living the Christian life. Occasionally we share in fellowship meals. While most of us are Asian people, we welcome visitors and new members.

LOGOS (Leaning On God Our Savior) is committed to study of the Word, prayer, and mutual support in our walk with God. We are comprised of couples and singles ranging mostly in 60's; the majority of us are empty nesters. We enjoy an annual Christmas dinner, a weekend retreat, along with various other service and social activities, and small groups.

MYF: Mennonite Youth Fellowship is a class for all youth who are high school aged. We meet weekly for a time of singing, sharing, and teaching. Teachers and topics vary on a frequent basis. We meet Wednesday evenings for service projects, social activities, worship or small groups on rotating bases. Annually, we take a trip to either the national youth conference or to participate in a service project.

NEW FOUNDATIONS is a class of ages 30's—40's. We are establishing our careers and family lives. Our children range from pre-school to high schoolers. The class has topical and Biblical studies geared to meeting real life issues.

OPEN CIRCLE is a class of active seniors with a variety of interests. We value personal sharing and try to be sensitive to individual needs including all members whether married or single in all our events, such as Bible study, teaching, prayer ministry and inspirational book studies. Our social events 3-4 times a year include a fall Sunday in the mountains and a special Christmas celebration. We are involved in age-appropriate (65+) service projects and contribute regularly to individual and mission agency ministry needs.

SINAPI class is a diverse group of married and single adults ranging in age from 60s to 70s. We represent a wide variety of professions, interests and hobbies. We concentrate on three areas: our personal relationship with God, our commitment to each other, and our service to the church and the community. We welcome you to our class to discover the warmth and caring of Sinapi class.

STEPPING STONES is primarily a group of adults ranging in ages 40-60. Our class time incorporates a blend of Bible Study, topical studies, and taking time to hold each other in prayer. Out of class we enjoy social and service activities with our families. All are welcome!!
